 - **Course Related** : Machine Learning, Algorithm And Data Structures, Big Data, C Language, IT security, JAVA, SQL, SOA ...

WORK EXPERIENCE

- **Full-stack Developer (Jul 2022 - Current)**
SIYOU TECHNOLOGY
 - **Responsibilities** : Development of a large complete B2S2C (Business to Shop to Customer) solution, with maintenance of the code.
 - **Technical Environment** : Angular, Laravel , Web Services, Postman, Git, HTML, CSS, Bootstrap, SCSS.
- **Graduation Internship (Feb 2022 - Jun 2022)**
Nachd-IT
 - Building a platform for my university 4c Center, it's a platform dedicated to students of Issat Sousse university to improve their skills in different fields.
 - I used HTML, CSS, Javascript, Bootstrap to create the template for the platform.
 - Angular as a Frontend.
 - Laravel as a Backend.
 - Building API Services.
 - Database management with MySQL.
 - I also developed some soft skills like: Teamwork, Time management, Problem-solving, Self-Learning.
 - **Technical Environment** : Angular, Laravel, TypeScript · REST APIs, HTML, CSS, Postman.
- **Summer Internship (Jun 2021 - Sep 2021)**
Nachd-IT
 - Building a website for the NACHD-IT company using the LARAVEL 7 Framework.
 - I completed all the tasks and I learned how to work with Laravel and PHP.
 - **Technical Environment** : Full Stack Laravel (Frontend with Blade Template Engine).

VOLUNTEER EXPERIENCE

Student Ambassador : 4C ISSAT SOUSSE

Mar 2021 - May 2022

CERTIFIED STUDENT AMBASSADOR

Here is some of the missions that i'm doing:

- Organazing events in the university.
- Working with other ambassadors in team.

Vice President : IoT & Data Science Club Issat Sousse

Jan 2021 - May 2022

My position in the club helped me to develop my soft skills and some technical skills from the workshops that we had worked on like:

- Organization of events.
- Organization of workshops (IT field).
- Making plans for the growing of the club.
- Presentation the club in the IT field in my university.
- Team Work.
- Communication with all the members.

Head Of Sponsors Management: Hult Prize Jul 2021 - Mar 2022

- Organizing live sessions for our campus students.
- Organizing the competition for the new Hult Prize theme 2022 in the university.
